Facing the Blitz

Three Strategies for Turning Trials Into Triumphs

by Jeff Kemp

In football, a blitz is an all-out attack, aiming to force the quarterback into a mistake and create mayhem and destruction. But by its nature, the blitz also creates an opportunity for the quarterback, as it leaves holes in the defense. What looks like the worst play can become the best.

During a life “blitz,” when everything seems like it’s collapsing—financially, relationally, spiritually, or physically—if you take initiative you can do more than just survive. You can grow, succeed, and advance. In *Facing the Blitz*, Jeff Kemp shares lessons he’s learned through all kinds of life blitzes, both personal and professional. He teaches how life is about transformation and being others-oriented, and how having the right mind-set can turn unnecessary fear and misery into courage, growth, and joy.

Includes end-of-chapter questions for assessment and application.

“*Facing the Blitz* is a gem full of wisdom, hope, and practical advice for anyone who fears suffering and difficulty. It’s easy to read, remember, and use. Amazing!”

—*Pat Lencioni, president, The Table Group; bestselling author of The Advantage and The Five Dysfunctions of a Team*

“Jeff is a man of deep faith, love, and leadership. He’s as prepared to face the blitz as well as anyone I know, and I’m not talking about when he was an NFL quarterback. Read, learn, and apply. Valuable lessons for life’s greatest challenges.”

—*Jim Nantz, sports announcer*

“*Facing the Blitz* is a game changer for every man.”

—*Dr. Dennis Rainey, president and CEO, Family Life*
